Subject: **CREATION OF THE DEPED-ADOBE NATIONAL CORE TEAM**

The Office of the Undersecretary for Administration (OUA) through the Information and Communications Technology Service-Educational Technology Unit (ICTS-EdTech) promotes digital literacy and educational media content production for teachers and learners. In line with this, the ICTS-EdTech Unit will form the Department of Education (DepEd)-Adobe National Core Team with teachers that have mastered the use of different Adobe editing software.

The said team shall be in charge of the following:

1. train all public school teachers on the use of different Adobe software and applications to maximize the Department's procured licenses as well as to ensure the improvement of locally produced video materials; and
2. select members of the Division and Regional DepEd-Adobe Core Team to serve as their counterpart.

In this regard, the OUA would like to request the home units of the listed personnel in **Annex A** to concur with their official designation to the DepEd-Adobe National Core Team. Attached for reference is the approved and official logo/brand of DepEd Adobe for Education (**Annex B**).
